

15 Great Questions for Leaders

Use the spaces between the questions to jot down your intuitive responses.

1. If you were leading another school you most admire right now, what would you do to be as good as them?
2. If you were let go tomorrow and returned to consult to the school, what would you advise?
3. What is the area of the school in which, if you made an improvement, would give you and others the highest return on time, energy, and money invested?
4. What is currently impossible to do in your school that, if it *were* possible, would change everything?
5. Has *anyone* ever done the thing that is impossible in your school, in their school?
6. Would *every* leader believe it to be impossible for your school?
7. What's the most important decision you're facing?
8. What's keeping you from making it?
9. What conversation are you avoiding right now?
10. What's keeping you from having it?
